

Jobs for Lazy People

Complete the text with ONE word that fits into each gap.

When flicking **(1)** through the job pages of a newspaper you tend to find the same adjectives in any advertisement : ambitious, hard-working , motivated, dynamic , cooperative . Even if these are traits you are bound to find in every job **(2)** there are a few jobs where they might not apply. Sometimes you can even be lazy to do them.

Furniture companies, for example, often hire people **(3)** whose job it is to test new sofas, armchairs, beds and other products. It's their job to sit in chairs or lie in beds for hours and just try to **(4)** feel comfortable. Sometimes, it's even acceptable to fall asleep while **(5)** at "work".

Another job you might try **(6)** out if you're not that ambitious and hard-working is a house-sitter. These people **(7)** are paid just to look after someone else's house and make sure everything is OK while the owners are on holiday or on a business **(8)** trip . It's rarely the case that you have to deal **(9)** with problems that come up, **(10)** such as a leak in a water pipe.

If you like **(11)** watching TV all day, consider being a binge watcher. Watch your favourite series on a streaming service of your choice and write a report **(12)** about it. You don't even have to get out of bed for this job.
